Other Household Vehicle(s)

Your premium may be influenced by other State Farm policies that currently insure the following vehicle(s) in your household:

2018 TESLA MODEL 3
2003 HONDA ACCORD
2012 CHEVROLET VOLT

The premium for this renewal was determined using an annual mileage this vehicle is expected to be driven that was developed from information we obtained or was provided by you. The national average is more than 12,000 miles driven annually according to the U.S. Department of Transportation. Please contact us if you expect your annual mileage to change over the next year.

Premium Adjustment

Each year, we review our medical payments and personal injury protection coverages claim experience to determine the vehicle safety discount that is applied to each make and model. In addition, we review the comprehensive, collision, bodily injury and property damage claim experience annually to determine which makes and models have earned decreases or increases from State Farm's standard rates. If any changes result from our reviews, adjustments are reflected in the rates shown on this renewal notice.

DRIVER INFORMATION

Other Household Driver(s)

IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car

you drive, how your car is used, who drives the car, and information from consumer reports.

You have the right to request, no more than once during a 12-month period, that your policy be re-rated using a current

credit-based insurance score. Re-rating could result in a lower rate, no change in rate, or a higher rate.

SURCHARGES AND DISCOUNTS

AUTOMOBILE RATING PLAN - Applies to private passenger cars only.

Accident-Free Discount - Once your policy has been in force for at least three years with no chargeable accidents, you may qualify for our Accident-Free Discount. Once you qualify, this discount applies as long as there are no chargeable accidents, and may even increase over time.

Good Driving Discount - Newer policyholders who do not yet qualify for our Accident-Free Discount (available after three years with no chargeable accidents) may already be receiving a Good Driving Discount. This discount continues to apply until your policy qualifies for the Accident-Free Discount as long as there are no chargeable accidents and no new drivers. If you add new drivers, they must also qualify in order for your Good Driving Discount to continue.

Chargeable Accidents - For new business rating, an accident is chargeable if it results in \$750 or more of damage to any property. For renewal business, an accident

is chargeable as of the date State Farm pays at least \$750 (for accidents occurring on or after April 1, 1999) under property damage liability and collision coverages for an at-fault accident.

Surcharges - If there are chargeable accidents, you may lose your Good Driving Discount or Accident-Free Discount and receive accident surcharges. But if the accident is the first to become chargeable in nine years and this policy has been in force for at least that long, the Accident-Free Discount will continue and no surcharge will apply. The surcharge for each accident depends upon the number and timing of the accidents, and each accident surcharge will remain in effect up to three years.

Surcharges will be removed if the company is given satisfactory evidence that the driver involved is no longer a member of the household or will not be driving the car in the future. If that driver is insured on another State Farm policy,

(continued on next page)

his or her driving record will be considered in the rating of the other policy.

These discounts and surcharges do not apply to all coverages. For complete details, see your State Farm agent.

ADDITIONAL INFORMATION

If any information on this renewal notice is incomplete or inaccurate, or if you want to confirm the information we have in our records, please contact your agent. For additional

information regarding discounts or coverages, see your State Farm agent or visit [@](http://statefarm.com).

Drive Safe & Save™ - it's that simple

Our Drive Safe & Save discount is one more way we help you save money on your auto insurance. How much you drive determines the size of your discount, and good drivers can save even more. There are multiple ways you can participate depending on the vehicle you drive. You'll receive an initial participation discount just for enrolling, which will be replaced, after an introductory period, by a discount adjusted at the policy renewal based on information collected.

Contact your State Farm agent or visit drivesafeandsave.com for details.

Buying a new car? Remember to contact your agent!

When you buy an additional car or one that replaces a car already on your policy, you need to report the change to your agent **promptly**. Even though the dealership you purchased the car from may offer to notify your agent or insurance company, you, as the named insured, are responsible for reporting all changes to your auto policy. By contacting your agent, you can help:

- avoid any complications or lack of coverage in the event of an accident or loss,
- avoid insurance verification problems with a lienholder, the police, or the department of motor vehicles, and
- ensure that you receive any new discounts you may be entitled to.

Your current State Farm policy automatically provides certain coverages for a new or replacement car for up to a specified, limited number of days after you take possession of the car. Please refer to your policy for the number of days that applies in your state.

If you have any questions about coverage for a newly acquired car, please contact your State Farm agent.
