8. Allocations and Distributions

As used in this Agreement, the terms "net profits" and "net losses" shall mean the profits or losses of the Limited Liability Company from the conduct of the Limited Liability Company's business, after all expenses incurred in connection therewith have been paid or provided for. Net profits and net losses of the Limited Liability Company from other than capital transactions, as of the end of any fiscal year or other period, shall be credited or charged to the capital accounts of the Members prior to any charge or credit to said capital accounts for net profits and net losses of the Limited Liability Company from capital transactions as of the end of such fiscal year or other period. The capital account for each Member shall be otherwise adjusted in accordance with the additional rules of Trea. Reg. Section 1.704-1(b)(2)(iv).

During each fiscal year, the net profits and net losses of the Limited Liability Company (other than from capital transactions), and each item of income, gain, loss, deduction or credit entering into the computation thereof, shall be credited or charged, as the case may be, to the capital accounts of each Member in proportion to the Members' Percentage Interests. The net profits of the Limited Liability Company from capital transactions shall be allocated in the following order of priority: (a) to offset any negative balance in the capital accounts of the Members in proportion to the amounts of the negative balance in their respective capital accounts, until all negative balances in the capital accounts have been eliminated; then (b) to the Members in proportion to the Members' Percentage Interests. The net losses of the Limited

Liability Company from capital transactions shall be allocated in the following order of priority: (a) to the extent that the balances in the capital accounts of any Members are in excess of their original contributions, to such Members in proportion to such excess balances in the capital accounts until all such excess balances have been reduced to zero; then (b) to the Members in proportion to the Members' Percentage Interests.

The cash receipts of the Limited Liability Company shall be applied in the following order of priority: (a) to the payment by the Limited Liability Company of amounts due on debts and liabilities of the Limited Liability Company other than to any Member, and operating expenses of the Limited Liability Company; (b) to the payment of interest and amortization due on any loan made to the Limited Liability Company by any Member; (c) to the establishment of cash reserves determined by the Manager to be necessary or appropriate, including without limitation reserves for the operation of the Limited Liability Company's business, taxes and contingencies; and (d) to the repayment of any loans made to the Limited Liability Company by any Member. Thereafter, the cash receipts of the Limited Liability Company shall be distributed among the Members as hereafter provided.

The cash receipts of the Limited Liability Company shall be distributed to the Members from time to time at such times as the Manager shall determine. It is contemplated that distributions will be made if the Manager deems such distributions to be prudent and feasible.

Except as otherwise provided in this Agreement or required by law, distributions of cash receipts of the Limited Liability Company, other than from capital transactions, shall be allocated among the Members in proportion to the Members' Percentage Interests.

Except as otherwise provided in this Agreement or required by law, distributions of cash receipts from capital transactions shall be allocated in the following order of priority: (a) to the Members in proportion to their respective capital accounts until each Member has received cash distributions equal to any positive balance in his capital account; then (b) to the Members in proportion to the Members' Percentage Interests.

Special Allocations -- Notwithstanding the preceding provisions of this Article 8, the following special allocations shall be made in the following order:

(1) **Minimum Gain Chargeback** -- Except as otherwise provided in Trea. Reg. Section 1.704-2(f), if there is a net decrease in partnership minimum gain (within the meaning of Trea. Reg. Sections 1.704-2(b)(2) and 1.704-2(d)) during any fiscal year, each Member shall be allocated items of the Limited Liability Company's income and gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to such Member's share of the net decrease in partnership minimum gain, determined in accordance with Trea. Reg. Section 1.704-2(g). Allocations made pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Trea. Reg. Sections 1.704-2(f)(6) and 1.704-2(j)(2). This provision is

intended to comply with the minimum gain chargeback requirement in Trea. Reg. Section 1.704-2(f) and shall be interpreted consistently therewith.

(2) Partner Minimum Gain Chargeback -- Except as otherwise provided in Trea. Reg. Section 1.704-2(i)(4), if there is a net decrease in partner nonrecourse debt minimum gain attributable to a partner nonrecourse debt during any fiscal year, each Member who has a share of the partner nonrecourse debt minimum gain attributable to such partner nonrecourse debt, determined in accordance with Trea. Reg. Section 1.704-2(i)(5), shall be allocated items of the Limited Liability Company's income and gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to such Member's share of the net decrease in partner nonrecourse debt minimum gain attributable to such partner nonrecourse debt, determined in accordance with Trea. Reg. Section 1.704-2(i)(4). Allocations made pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Trea. Reg. Sections 1.704-2(i)(4) and 1.704-2(j)(2). As used herein, "partner nonrecourse debt" has the meaning set forth in Trea. Reg. Section 1.704-2(b)(4). As used herein, "partner nonrecourse debt minimum gain" shall mean an amount, with respect to each partner nonrecourse debt, equal to the partnership minimum gain (within the meaning of Trea. Reg. Sections 1.704-2(b)(2) and 1.704-2(d)) that would result if such partner nonrecourse debt were treated as a nonrecourse liability (within the meaning of Trea. Reg. Section 1.704-2(b)(3)) determined in accordance with Trea. Reg. Section 1.704-2(i)(3). This provision is intended to comply with the minimum gain chargeback requirement in Trea. Reg. Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(3) Qualified Income Offset -- In the event any Member unexpectedly receives any adjustments, allocations or distributions described in Trea. Reg. Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of the Limited Liability Company's income and gain shall be allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, any adjusted capital account deficit in such Member's capital account, as quickly as possible, provided that an allocation pursuant to this provision shall be made only if and to the extent that such Member would have an adjusted capital account deficit in such Member's capital account after all other allocations provided for in this Article 8 have been tentatively made as if this provision were not in this Agreement. As used herein, "adjusted capital account deficit" shall mean the deficit balance, if any, in a Member's capital account at the end of the relevant fiscal year after the following adjustments: (i) credit to such capital account the minimum gain chargeback which the Member is obligated to restore pursuant to the penultimate sentences of Trea. Reg. Sections 1.704-2(g)(1) and 1.704-2(i)(5); and (ii) debit to such capital account the items described in Trea. Reg. Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6). This provision is intended to constitute a qualified income offset within the meaning of Trea. Reg. Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(4) Gross Income Allocation -- In the event any Member has a deficit capital account at the end of any fiscal year which is in excess of the sum of the amounts such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Trea. Reg. Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Member shall be allocated items of the Limited Liability Company's income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this provision shall be made only if and to the extent that such Member would have a deficit in such Member's capital account in excess of such sum after all other allocations provided for in this Article 8 have been tentatively made as if this provision and the provisions of clause (3) above were not in this Agreement.

(5) Nonrecourse Deductions -- Nonrecourse deductions (within the meaning of Trea. Reg. Section 1.704-2(b)(1)) for any fiscal year shall be allocated among the Members in proportion to the Members' Percentage Interests.

(6) Partner Nonrecourse Deductions -- Any partner nonrecourse deductions (within the meaning of Trea. Reg. Sections 1.704-2(b)(1) and 1.704-2(b)(2)) for any fiscal year shall be allocated to the Member who bears the economic risk of loss with respect to the partner nonrecourse debt (within the meaning of Trea. Reg. Section 1.704-2(b)(4)) to which such partner nonrecourse deductions are attributable in accordance with Trea. Reg. Section 1.704-2(i)(1).

(7) Other Mandatory Allocations -- In the event Section 704(c) of the Internal Revenue Code or the Regulations thereunder require allocations in a manner different than that set forth above in this Article 8, the provisions of Section 704(c) and the Regulations thereunder shall control such allocations among the Members.

It is the intention of the Members that the allocations hereunder shall be deemed to have "substantial economic effect" within the meaning of Section 704 of the Internal Revenue Code and Trea. Reg. Section 1.704-1. Should the provisions of this Agreement be inconsistent with or in conflict with Section 704 of the Code or the Regulations thereunder, then Section 704 of the Code and the Regulations shall be deemed to override the contrary provisions hereof.

If Section 704 or the Regulations at any time require that limited liability company operating agreements contain provisions which are not expressly set forth herein, such provisions shall be incorporated into this Agreement by reference and shall be deemed a part of this Agreement to the same extent as though they had been expressly set forth herein, and the Manager shall be authorized by an instrument in writing to amend the terms of this Agreement to add such provisions, and any such amendment shall be retroactive to whatever extent required to create allocations with a substantial economic effect.

9. Books, Records and Tax Returns

At all times during the continuance of the Limited Liability Company, the Manager shall keep or cause to be kept complete and accurate records and books of account in which shall be entered each transaction of the Limited Liability Company.

The fiscal year of the Limited Liability Company for both accounting and income tax purposes shall be the calendar year. The Limited Liability Company shall report its operations, net income and net losses in accordance with the methods of accounting selected by the Manager.

The Manager may employ on behalf of the Limited Liability Company and at the expense of the Limited Liability Company, accountants, as the Manager in its sole discretion deems appropriate to serve as the Limited Liability Company's accountants.

The Manager shall furnish to each Member, after the end of each fiscal year, an annual report of the Limited Liability Company which shall include a balance sheet as of the end of such fiscal year; a profit and loss statement of the Limited Liability Company for such fiscal year; a statement of the balance in the capital account of such Member; and the amount of such Member's share of the Limited Liability Company's income, gain, losses, deductions and other relevant items for Federal income tax purposes.

The Manager shall prepare or cause to be prepared all Federal, State and local income tax and information returns for the Limited Liability Company, and shall cause such tax and information returns to be filed timely with the appropriate governmental authorities. After the end of each fiscal year, the Manager shall forward to each person who was a Member during the preceding fiscal year a true copy of the Limited Liability Company's information return filed with the Internal Revenue Service for the preceding fiscal year. The Manager shall not be liable to any Member if any taxing authority disallows or adjusts any deductions or credits in the Limited Liability Company's income tax or information returns.

All elections required or permitted to be made by the Limited Liability Company under the Internal Revenue Code, and the designation of a tax matters partner pursuant to Section 6231(a)(7) of the Internal Revenue Code for all purposes permitted or required by the Code, shall be made by the Manager.

The tax matters partner shall take such action as may be necessary to cause each other Member to become a notice member within the meaning of Section 6223 of the Code. The tax matters partner may not take any action contemplated by Sections 6222 through 6232 of the Code without the consent of the Manager.

All such records, books of account, tax and information returns, and reports and statements, together with executed copies of this Agreement, shall at all times be maintained at

the principal place of business of the Limited Liability Company, and shall be open to the inspection and examination of the Members or their duly authorized representatives during regular business hours. Each Member, or a duly authorized representative of such Member, may make copies of the Limited Liability Company's books of account and records at the expense of such Member. Any Member, at the expense of such Member, may conduct an audit of the Limited Liability Company's books of account and records.

The Manager shall furnish to each Member, promptly upon request, a current list of the names and addresses of all of the Manager and other Members of the Limited Liability Company, and any other persons or entities having any financial interest in the Limited Liability Company.

The cost of preparing all of the aforesaid records, books, returns and other items shall be borne by the Limited Liability Company. Upon request of the Manager, the Members shall pay to the Limited Liability Company, in proportion to the Members' Percentage Interests, the cost of preparing same, not to exceed in the aggregate \$2,000 for each fiscal year.

10. Bank Accounts

All funds of the Limited Liability Company shall be deposited in the Limited Liability Company's name in such bank account or accounts as shall be designated by the Manager.

Withdrawals from any such bank accounts shall be made only in the regular course of business of the Limited Liability Company and shall be made upon such signature or signatures as the Manager from time to time may designate.

11. Management of the Limited Liability Company

The Members hereby designate Wenlin Han, having an address at 1520 Eclipse Rd, Aubrey, TX 76227 to serve as Manager for the Limited Liability Company. The Manager shall serve until its successor is duly elected and qualified.

The Manager for the Limited Liability Company shall be elected, and can be discharged (without cause), as Manager by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests. Each Manager shall be a Member of the Limited Liability Company.

The business and affairs of the Limited Liability Company shall be conducted and managed by the Manager of the Limited Liability Company in accordance with this Agreement and the laws of Texas.

The number of Managers may be changed from time to time by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests, but in no instance shall there be less than one Manager. At any time there is more than one Manager, any

difference arising as to any matter within the authority of Managers shall be decided by a majority in number of the Managers.

The Manager shall have responsibility for the day-to-day management of the business and affairs of the Limited Liability Company and shall devote such time and attention as the Manager deems necessary to the conduct and management of the business and affairs of the Limited Liability Company.

The Manager hereby is given sole power and authority to execute instruments on behalf of the Limited Liability Company and to otherwise bind the Limited Liability Company. Unless authorized by the Manager, no other person shall have the power or authority to execute instruments on behalf of the Limited Liability Company and to otherwise bind the Limited Liability Company. No person, firm or corporation dealing with the Limited Liability Company shall be required to investigate the authority of the Manager or to secure the approval of or confirmation by the Members of any act of the Manager in connection with the business or affairs of the Limited Liability Company.

No Member, other than the Manager or its designees, shall have the authority, or shall take any action as a Member, to bind the Limited Liability Company.

Except as provided elsewhere in this Agreement, or by non-waivable provisions of applicable law, the Manager shall possess and enjoy all rights and powers necessary or appropriate for the conduct and management of the business and affairs of the Limited Liability Company and hereby is authorized to make all decisions relating to the business and affairs of the Limited Liability Company. The Manager may make decisions relating to: the purchase, sale, exchange, lease, transfer, encumbrance or other acquisition or disposition of any property, for cash, other property, or on terms; the borrowing of money and the obtaining of loans, secured and unsecured, for the Limited Liability Company and in connection therewith the issuance of notes, debentures and other debt securities and the securing of the same by assigning for security purposes, pledging or hypothecating all or part of assets of the Limited Liability Company; the expenditure of the capital and receipts of the Limited Liability Company in furtherance of the business of the Limited Liability Company; the purchase of equipment, supplies and services as the Manager deems appropriate; the lending or advancing of money to third parties in connection with the business of the Limited Liability Company; the investment of funds of the Limited Liability Company in interest-bearing bank deposits, governmental obligations, institutional and insured short-term debt securities and short-term commercial paper, pending disbursement of the Limited Liability Company's funds or to provide a source from which to meet contingencies; the purchase of hazard, liability and other insurance which the Manager may deem necessary or proper; the employment of attorneys, accountants, brokers, consultants and other persons, firms and corporations to render services to the Limited Liability Company as the Manager may deem necessary or proper; the enforcement, compromise and settlement of any rights or claims in favor of or against the Limited Liability Company or any nominee of the Limited Liability Company; and the taking of all other actions and the execution and delivery of any and all other instruments and agreements as the Manager may deem appropriate to carry out the intents and purposes of this Agreement.

The Manager may employ on behalf of the Limited Liability Company, on such terms and for such compensation as the Manager may determine, any persons, firms or corporations, including accountants and attorneys, as the Manager, in its sole judgment shall deem desirable for the business and affairs of the Limited Liability Company.

Any such person, firm or corporation may also be employed by the Manager in connection with any other business of the Manager. The fact that any Member, or a member of his family or any affiliate of a Member, is directly or indirectly interested in or connected with any person, firm or corporation employed by the Limited Liability Company or from whom the Limited Liability Company may buy merchandise or services, shall not prohibit the Manager from employing or dealing with such person, firm or corporation on behalf of the Limited Liability Company upon reasonable terms and conditions.

The Manager shall be reimbursed by the Limited Liability Company for all direct out-of-pocket expenses incurred by the Manager on behalf of the Limited Liability Company in connection with the performance of its duties hereunder, including without limitation amounts payable by the Manager for office, accounting, bookkeeping and other services, materials, facilities and professional and legal services rendered or furnished to the Limited Liability Company.

The Manager shall receive, as compensation for the services of the Manager to the Limited Liability Company, such sums as may be determined from time to time by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests.

A Manager's duty of care in the discharge of the Manager's duties to the Limited Liability Company and the Members is limited to refraining from engaging in grossly negligent conduct, intentional misconduct, or a knowing violation of law. In discharging the duties of a Manager, the Manager shall be fully protected in relying in good faith upon the records of the Limited Liability Company and upon such information, opinions, reports or statements by other Managers, Members, agents or other persons as to matters the Manager reasonably believes are within such person's professional or expert competence, including without limitation information, opinions, reports or statements as to the value or amount of the assets, liabilities, profits or losses of the Limited Liability Company or any other facts pertinent to the existence and amount of assets from which distributions to Members might properly be paid.

To the extent of the Limited Liability Company's assets, and to the extent permitted by law, the Limited Liability Company shall indemnify and hold each Manager harmless from and against all liability, claim, loss, damage or expense, including reasonable attorneys' fees, incurred by the Manager by reason of any act or omission of the Manager made in good faith on behalf of the Limited Liability Company.

Any Manager may resign at any time by giving written notice to the Members of the Limited Liability Company, and such resignation shall take effect upon receipt of such notice or at such later time as may be specified in such notice. The acceptance of such resignation shall not be necessary to make it effective. The resignation of a Manager who is also a Member shall not affect the Manager's rights as a Member and shall not constitute a withdrawal of a Member.

Except as expressly provided elsewhere in this Agreement, any decisions which are to be made by the Members, rather than the Manager, shall be made by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests.

12. Assignment of Interests

Except as otherwise provided in this Agreement, no Member or other person holding any interest in the Limited Liability Company may assign, pledge, hypothecate, transfer or otherwise dispose of all or any part of his interest in the Limited Liability Company, including without limitation the capital, profits or distributions of the Limited Liability Company without the prior written consent of the other Members in each instance.

The Members agree that no Member may voluntarily withdraw from the Limited Liability Company without the unanimous vote or consent of the Members.

A Member may assign all or any part of such Member's interest in the allocations and distributions of the Limited Liability Company to any of the following (collectively the "permitted assignees"): any person, corporation, partnership or other entity as to which the Limited Liability Company has given consent to the assignment of such interest in the allocations and distributions of the Limited Liability Company by the affirmative vote or consent of Members holding two-thirds of the Members' Percentage Interests. An assignment to a permitted assignee shall only entitle the permitted assignee to the allocations and distributions to which the assigned interest is entitled, unless such permitted assignee applies for admission to the Limited Liability Company and is admitted to the Limited Liability Company as a Member in accordance with this Agreement.

An assignment, pledge, hypothecation, transfer or other disposition of all or any part of the interest of a Member in the Limited Liability Company or other person holding any interest in the Limited Liability Company in violation of the provisions hereof shall be null and void for all purposes.

No assignment, transfer or other disposition of all or any part of the interest of any Member permitted under this Agreement shall be binding upon the Limited Liability Company unless and until a duly executed and acknowledged counterpart of such assignment or instrument of transfer, in form and substance satisfactory to the Manager, has been delivered to the Limited Liability Company.

No assignment or other disposition of any interest of any Member may be made if such assignment or disposition, alone or when combined with other transactions, would result in the termination of the Limited Liability Company within the meaning of Section 708 of the Internal Revenue Code or under any other relevant section of the Code or any successor statute.

No assignment or other disposition of any interest of any Member may be made without an opinion of counsel satisfactory to the Manager that such assignment or disposition is subject

to an effective registration under, or exempt from the registration requirements of, the applicable State and Federal securities laws. No interest in the Limited Liability Company may be assigned or given to any person below the age of 18 years or to a person who has been adjudged to be insane or incompetent.

Anything herein contained to the contrary, the Manager and the Limited Liability Company shall be entitled to treat the record holder of the interest of a Member as the absolute owner thereof, and shall incur no liability by reason of distributions made in good faith to such record holder, unless and until there has been delivered to the Manager the assignment or other instrument of transfer and such other evidence as may be reasonably required by the Manager to establish to the satisfaction of the Manager that an interest has been assigned or transferred in accordance with this Agreement.

13. Right of First Refusal

If a Member desires to sell, transfer or otherwise dispose of all or any part of his interest in the Limited Liability Company, such Member (the "Selling Member") shall first offer to sell and convey such interest to the other Members before selling, transferring or otherwise disposing of such interest to any other person, corporation or other entity. Such offer shall be in writing, shall be given to every other Member, and shall set forth the interest to be sold, the purchase price to be paid, the date on which the closing is to take place (which date shall be not less than thirty nor more than sixty days after the delivery of the offer), the location within the State of Texas at which the closing is to take place, and all other material terms and conditions of the sale, transfer or other disposition.

Within fifteen days after the delivery of said offer the other Members shall deliver to the Selling Member a written notice either accepting or rejecting the offer. Failure to deliver said notice within said fifteen days conclusively shall be deemed a rejection of the offer. Any or all of the other Members may elect to accept the offer, and if more than one of the other Members elects to accept the offer, the interest being sold and the purchase price therefore shall be allocated among the Members so accepting the offer in proportion to their Members' Percentage Interests, unless they otherwise agree in writing.

If any or all of the other Members elect to accept the offer, then the closing of title shall be held in accordance with the offer and the Selling Member shall deliver to the other Members who have accepted the offer an assignment of the interest being sold by the Selling Member, and said other Members shall pay the purchase price prescribed in the offer.

If no other Member accepts the offer, or if the Members who have accepted such offer default in their obligations to purchase the interest, then the Selling Member within 120 days after the delivery of the offer may sell such interest to any other person or entity at a purchase price which is not less than the purchase price prescribed in the offer and upon terms and conditions which are substantially the same as the terms and conditions set forth in the offer, provided all other applicable requirements of this Agreement are complied with.

An assignment of such interest to a person or entity who is not a Member of the Limited Liability Company shall only entitle such person or entity to the allocations and distributions to which the assigned interest is entitled, unless such person or entity applies for admission to the Limited Liability Company and is admitted to the Limited Liability Company as a Member in accordance with this Agreement.

If the Selling Member does not sell such interest within said 120 days, then the Selling Member may not thereafter sell such interest without again offering such interest to the other Members in accordance with this Article 13.

14. Admission of New Members

The Members may admit new Members (or transferees of any interests of existing Members) into the Limited Liability Company by the unanimous vote or consent of the Members.

As a condition to the admission of a new Member, such Member shall execute and acknowledge such instruments, in form and substance satisfactory to the Manager, as the Manager may deem necessary or desirable to effectuate such admission and to confirm the agreement of such Member to be bound by all of the terms, covenants and conditions of this Agreement, as the same may have been amended. Such new Member shall pay all reasonable expenses in connection with such admission, including without limitation reasonable attorneys' fees and the cost of the preparation, filing or publication of any amendment to this Agreement or the Certificate of Formation, which the Manager may deem necessary or desirable in connection with such admission.

No new Member shall be entitled to any retroactive allocation of income, losses, or expense deductions of the Limited Liability Company. The Manager may make pro rata allocations of income, losses or expense deductions to a new Member for that portion of the tax year in which the Member was admitted in accordance with Section 706(d) or the Internal Revenue Code and regulations thereunder.

In no event shall a new Member be admitted to the Limited Liability Company if such admission would be in violation of applicable Federal or State securities laws or would adversely affect the treatment of the Limited Liability Company as a partnership for income tax purposes.

15. Withdrawal Events Regarding Members and Election to Continue the Limited Liability Company

In the event of the death, retirement, withdrawal, expulsion, or dissolution of a Member, or an event of bankruptcy or insolvency, as hereinafter defined, with respect to a Member, or the occurrence of any other event which terminates the continued membership of a Member in the Limited Liability Company pursuant to the laws of Texas (each of the foregoing being hereinafter referred to as a "Withdrawal Event"), the Limited Liability Company shall terminate sixty

days after notice to the Members of such Withdrawal Event unless the business of the Limited Liability Company is continued as hereinafter provided.

Notwithstanding a Withdrawal Event with respect to a Member, the Limited Liability Company shall not terminate, irrespective of applicable law, if within aforesaid sixty day period the remaining Members, by the unanimous vote or consent of the Members (other than the Member who caused the Withdrawal Event), shall elect to continue the business of the Limited Liability Company.

In the event of a Withdrawal Event with respect to any Member, any successor in interest to such Member (including without limitation any executor, administrator, heir, committee, guardian, or other representative or successor) shall not become entitled to any rights or interest of such Member in the Limited Liability Company, other than the allocations and distributions to which such Member is entitled, unless such successor in interest is admitted as a Member in accordance with this Agreement.

An "event of bankruptcy or insolvency" with respect to a Member shall occur if such Member: applies for or consents to the appointment of a receiver, trustee or liquidator of all or a substantial part of his assets; or makes a general assignment for the benefit of creditors; or is adjudicated a bankrupt or an insolvent; or files a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or to take advantage of any bankruptcy, insolvency, readjustment of debt or similar law or statute, or an answer admitting the material allegations of a petition filed against him in any bankruptcy, insolvency, readjustment of debt or similar proceedings; or takes any action for the purpose of effecting any of the foregoing; or an order, judgment or decree shall be entered, with or without the application, approval or consent of such Member, by any court of competent jurisdiction, approving a petition for or appointing a receiver or trustee of all or a substantial part of the assets of such Member, and such order, judgment or decree shall continue unstayed and in effect for thirty days.

16. Dissolution and Liquidation

The Limited Liability Company shall terminate upon the occurrence of any of the following: the expiration of the period fixed for the duration of the Limited Liability Company pursuant to Article 5, as the same may be extended by the Members;

The election by the Members to dissolve the Limited Liability Company made by the unanimous vote or consent of the Members; the occurrence of a Withdrawal Event with respect to a Member and the failure of the remaining Members to elect to continue the business of the Limited Liability Company as provided for in Article 15 above; or any other event which pursuant to this Agreement, as the same may hereafter be amended, shall cause a termination of the Limited Liability Company.

The liquidation of the Limited Liability Company shall be conducted and supervised by the Manager or if there be none then by a person designated for such purposes by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests (the

"Liquidating Agent"). The Liquidating Agent hereby is authorized and empowered to execute any and all documents and to take any and all actions necessary or desirable to effectuate the dissolution and liquidation of the Limited Liability Company in accordance with this Agreement.

Promptly after the termination of the Limited Liability Company, the Liquidating Agent shall cause to be prepared and furnished to the Members a statement setting forth the assets and liabilities of the Limited Liability Company as of the date of termination. The Liquidating Agent, to the extent practicable, shall liquidate the assets of the Limited Liability Company as promptly as possible, but in an orderly and businesslike manner so as not to involve undue sacrifice.

The proceeds of sale and all other assets of the Limited Liability Company shall be applied and distributed in the following order of priority: (a) to the payment of the expenses of liquidation and the debts and liabilities of the Limited Liability Company, other than debts and liabilities to Members; (b) to the payment of debts and liabilities to Members; (c) to the setting up of any reserves which the Liquidating Agent may deem necessary or desirable for any contingent or unforeseen liabilities or obligations of the Limited Liability Company, which reserves shall be paid over to an attorney-at-law admitted to practice in the State of Texas as escrowee, to be held for a period of two years for the purpose of payment of the aforesaid liabilities and obligations, at the expiration of which period the balance of such reserves shall be distributed as hereinafter provided; (d) to the Members in proportion to their respective capital accounts until each Member has received cash distributions equal to any positive balance in his capital account, in accordance with the rules and requirements of Trea. Reg. Section 1.704-1(b)(2)(ii)(b); and (e) to the Members in proportion to the Members' Percentage Interests.

The liquidation shall be complete within the period required by Trea. Reg. Section 1.704-1(b)(2)(ii)(b).

If the Liquidating Agent shall determine that it is not practicable to liquidate all of the assets of the Limited Liability Company, the Liquidating Agent may retain assets having a cost equal to the amount by which the net proceeds of liquidated assets are insufficient to satisfy the debts and liabilities referred to above.

If, in the absolute judgment of the Liquidating Agent, it is not feasible to distribute to each Member his proportionate share of each asset, the Liquidating Agent may allocate and distribute specific assets to one or more Member in such manner as the Liquidating Agent shall determine to be fair and equitable, taking into consideration the basis for tax purposes of each asset.

Upon compliance with the distribution plan, the Members shall cease to be such, and the Manager shall execute, acknowledge and cause to be filed such certificates and other instruments as may be necessary or appropriate to evidence the dissolution and termination of the Limited Liability Company.

17. Representations of Members

Each of the Members represents, warrants and agrees that the Member is acquiring the interest in the Limited Liability Company for the Member's own account as an investment and not with a view to the sale or distribution thereof; the Member, if an individual, is over the age of 21, or if the Member is an organization, such organization is duly organized, validly existing and in good standing under the laws of its State of organization and that it has full power and authority to execute and perform its obligations under this Agreement; and the Member shall not dispose of such interest or any part thereof in any manner which would constitute a violation of the Securities Act of 1933, the Rules and Regulations of the Securities and Exchange Commission, or any applicable laws, rules or regulations of any State or other governmental authorities, as the same may be amended.

Each Member shall keep the Limited Liability Company and the other Members informed of such Member's current address.

19. Amendments

This Agreement may not be altered, amended, changed, supplemented, waived or modified in any respect or particular unless the same shall be in writing and agreed to by the affirmative vote or consent of Members holding two-thirds of the Members' Percentage Interests. No amendment may be made to Articles 6, 8, 12 and 16 hereof, insofar as said Articles apply to the financial interests of the Members, except by the vote or consent of all of the Members. No amendment of any provision of this Agreement relating to the voting requirements of the Members on any specific subject shall be made without the affirmative vote or consent of at least the number or percentage of Members required to vote on such subject.
